Dear Friend,

Thank you for your interest in the **Sebago Lakes Region Chamber of Commerce**.

Enclosed you'll find our membership application and related documents. We hope to welcome you as a new member very soon. At that time, we will provide you with a copy of our annual Area Guide, which includes contact information for all our Chamber members and lists of resources in our beautiful Sebago Lakes Region.

There are many benefits available to members, summarized on the enclosed attachment. Please take a few moments to review this and contact me or my assistant, Sue Bonior, if you have further questions about how our Chamber can help you maximize your business promotion strategies.

We would be pleased to have your business as a member, and look forward to working with you soon.

Sincerely,

Barbara A. Clark, IOM  
Executive Director
